INVESTOR IN PEOPLE

Manual of Funeral Directing Revised 2009

The revised 2009 Manual of Funeral Directing is now available and constitutes an invaluable reference tool for the funeral service professional as well as for students studying for funeral service related qualifications.

The content of the manual is available either in the form of a hardback 4-Ring binder or in CD ROM format. The CD is fully searchable for those who wish to access information electronically.

This comprehensive work comproses 25 chapters as follows.

1. **Code of Practice**
2. **Aims, Objects and Benefits**
3. **The Funeral Director and Public Health**
4. **The Premises of the Funeral Director**
5. **Registration and Coroners' Procedures**
6. **The Law and Practice of Cremation**
7. **The Law and Practice of Burial**
8. **Deaths and Funerals in Scotland**
9. **When a Child Dies**
10. **International Transportation of Human Remains**
11. **Bequethal**
12. **Burials at Sea**
13. **Exhumation**
14. **Funeral rites**
15. **Music at Funerals**
16. **Bereavement Care**
17. **Client Care**
18. **The Funeral Director**
19. **The First Call**
20. **Taking the Deceased into Care**
21. **Care and Presentation**
22. **Office Procedures**
23. **Liability & Entitlement**
24. **Arranging the Funeral**
25. **Conducting the Funeral**
